

DEEPIKA T

Poosaripatti,R.R.Nagar, Virudhunagar | +91 6380091026| deepikat2004@gmail.com

SUMMARY

Motivated and adaptable Information Technology graduate with foundational knowledge of Java, HTML, and CSS, along with practical experience in SQL, Flutter, Dart, Git, and GitHub. Gained hands-on experience in UI/UX design and real-time mobile application development through a two-month internship. Eager to apply technical skills, contribute to innovative software solutions, and continue developing professionally in the technology industry.

B.Tech Information Technology,

2022-2026 | CGPA : 8.44/10

Kalasalingam Academy of Research and Education , Krishnankoil.

HSC,MCNUPDA Higher Secondary School,M.C.Puram,Virudhunagar.

2022 | Percentage : 77.4/100

SSLC , MCNUPDA Higher Secondary School , M.C.Puram,Virudhunagar.

2020 | Percentage : 87.5/100

INTERNSHIP

Kaashiv Infotech -Chennai

May 2024 – July 2024

- Machine Learning Intern from May 10, 2024 to July 10, 2024 at Kaashiv Infotech.
- Gained hands-on experience in developing and deploying machine learning models.
- Worked on small-scale projects to apply ML algorithms for predictive analysis.

Intern – Mobile App Development & UI/UX Design

May 2026 – July 2026

Aslaniya Tech, Chennai | 2 Months

- Gained hands-on experience working on a real-time mobile application development project using Flutter and Dart.
- Designed user interfaces and created mobile application prototypes using Figma and UI/UX design principles.
- Developed and integrated frontend and backend functionalities for a mobile application using Flutter, Dart, and Firebase.

- Gained practical experience in Firebase integration for backend services and mobile application development.
- Used Git and GitHub for version control, source code management, and collaborative development.
- Gained practical knowledge of the complete mobile application development lifecycle through real-time project experience.
- Strengthened problem-solving and technical skills by working on real-world application development tasks.

Technologies: Flutter | Dart | Figma | Firebase | Git | GitHub

PROJECTS

Offline ChatBot

- Developed an offline chatbot with advanced context understanding capabilities and paired it with an intuitive Streamlit interface for seamless user engagement without internet dependency.

Hand Gesture Recognition

- Built a real-time hand gesture recognition system using Python, OpenCV and MediaPipe.
- Trained a deep learning model to classify gestures with high accuracy.
- Implementation gesture tracking and visualization for interactive user feedback.

CERTIFICATIONS

National Programme on Technology Enhanced Learning : Completed 5 courses with distinction.

- Conservation Economics
- Softskill Development
- Wildlife Ecology
- Forests and their management
- Ecology and society

SKILLS

- Flutter
- Figma
- Java (basic)
- SQL
- HTML/CSS
- Team Collaboration
- Communication

LANGUAGES

- Tamil(Native)
- English(Fluent)

EXTRA-CURRICULAR

- Drawing
- Henna Art
